HIDDEN TRUTHS

SHINING A LIGHT ON EATING DISORDERS

Eating Disorders are a complex group of mental health illnesses that have severe and life threatening physical complications. Please join us for an exciting event that will show case some of the truths about eating disorders and their management and dispel some of the myths that might be casting shadows on adequate care.

DATE: Monday 11th September, 2017

TIME: 9am—4pm

LOCATION: Auditorium, Level 5,
Kolling Building,
Royal North Shore Hospital

COST: Free

RSVP: Friday 1st September, 2017
Please RSVP attendance and dietary requirements to Pauline Shannon at Pauline.Shannon@health.nsw.gov.au

More details on speakers to follow.

Please note catering will be provided at this event.
