**The risk of athletes developing an eating disorder is twice that of the general population**

Athletes and health professionals sharing their experience of eating disorders in sport and fitness. Often the 'elephant in the room' topic that can be masked as dedication to performance.

The Centre Ivanhoe  
275 Upper Heidelberg Rd  
Ivanhoe VIC  
\$110 pp - includes 2 course dinner and drinks, speakers & entertainment

Funds raised for the Centre for Eating and Dieting Disorders and the Victorian Centre of Excellence in Eating Disorders
